Re - Nomination for Dr. Pelin Munis, Chief Executive Officer of RestoringVision, for IAPB Board of Trustees

To whom it may concern,

I would like to officially nominate Dr. Pelin Munis and RestoringVision to serve on the IAPB Board of Trustees.

Having worked with Pelin and the RestoringVision team for the past five years, I've seen firsthand the level of commitment, dedication and passion she has toward ending the global vision crisis.

As CEO, she has grown her organizational impact by leaps and bounds and has set aggressive targets for future impact. RestoringVision has helped more than 30M people to be able to see and Pelin and the RV team have done an exceptional job coordinating efforts with local partners to provide one of the lowest cost models in the sector.

In addition to her role with RestoringVision, Pelin has dedicated her time heading important initiatives for the WHO SPECS 2030 program, where she serves as a member of the Foundation Committee and as Co-Chair of the Awareness and Demand Generation workstream.

Pelin also serves as a member of the Steering Committee for The Coalition for Clear Vision, where she plays a vital role in shaping the strategic direction of this organization.

I highly recommend her for the Board seat and the IAPB will benefit greatly from her knowledge, leadership and insight.

Thank you very much,

A handwritten signature in black ink that reads "Jacqueline Grove". The signature is written in a cursive, flowing style.
